International Raceway*

Calling all teachers --

Join us at the **Richmond International Raceway (RIR)** and learn how to get your students revved up about STEM with NASA Rockets 2 Racecars teacher professional development workshop. Come to the NASCAR Nationwide Race with us on **Friday, September 6th** and **watch the launch** of NASA's Lunar Atmosphere and Dust Environment Explorer, **LADEE**, mission to study the Moon's atmosphere, following the race. THEN, get your hands dirty on **Saturday, September 7th** in the **VA529 Kid Zone** showing off your new skills acquired through **virtual training** with NASA's AESP and DLN Rockets 2 Racecars Education Specialists.

Register today at <http://tinyurl.com/mxwqtwr>

Rockets 2 Racecars has partnered with RIR and VA529 to provide an exciting professional development opportunity **virtually** AND at **Richmond International Raceway** on the STEM needed to Touchdown on the Moon and win a Drag Race to Mars. Connect with NASA Education Specialists for a **90-minute** live, highly interactive virtual session to explore the differences between the Moon and Mars and discover the **Science, Technology, Engineering and Math** involved in landing on both locations. Learn about NASA's **LADEE mission** to study the Moon's atmosphere and **watch the launch** from the raceway on **Friday, September 6th**, following the Nationwide Race.

Teachers **completing the 90-minute virtual workshop** are extended an opportunity to join R2R at Richmond International Raceway, Friday, September 6th for the NASCAR Nationwide Series Race, and on Saturday, September 7th during the day, to demonstrate their newly acquired skills at the educator booths. Participants will receive a certificate of completion for the 90-minute session and for each hour they participate in the hands-on activity at the racetrack. This certificate can be used towards teacher licensure requirements.

Several 90-minute sessions will be offered throughout the last week of August to provide ample opportunity to attend **ONE** session. You may connect on [either](#) of the following dates:

§ Tuesday, August 27th at 11 am ET

§ Wednesday, August 28th at 1 pm ET

§ Friday, August 30th at 3 pm ET

Don't miss this opportunity to rev up your instruction and get your students engines started for the upcoming school year!
